## Ambassador Update

Hi everyone, it's me again! I am Raegan Broussard, your Choir Secretary. I am also a member of the Chorale and Chamber choir! Choir has a very special place in my heart, and since my senior year is coming to an end so fast, I am trying to soak in all the memories as best I can. Recently, our chamber just had its chamber show, and it was so so special. It was held in the choir room, and we performed songs from various decades. We all had a great time (including all of the laughs, smiles, and tears). Another very exciting moment is coming up next week, and that is POP SHOW!!! All the classes have been working very hard on their songs, and busting their butts off to learn the dances. We are so happy to see all of the dances starting to come together! You definitely do not want to miss the show (next Thursday, the 22nd). That's all, I hope everyone has a blessed week and weekend!

## Summer Flags

**We are 8 days away from our Memorial Day delivery and still have 18 routes needing to be claimed if you're available...please help!!!**

Just a reminder that we have two deliveries that happen over summer break. The first one is for the Memorial Day Holiday, and the second one is for the Fourth of July. These deliveries are always the hardest to get covered, so please help if you are available! Also, don't forget that the two summer deliveries count towards the 2025-2026 school year, so signing up for these two deliveries takes care of your two routes before the year even starts!!

## SENIOR SPOTLIGHT

### **RAE**

Hi KO Choir! My name is Rae Knight, and outside of KO Choir, I am managing editor of the Yearbook, a newspaper reporter, and a member of NHS, Tri-M, NEHS, and Girl Scouts. I'm also in the Top 10% of my class. From my time in high school, I am most proud of my work on the yearbook staff. I've been doing this for 3 years and have created amazing books that I know people will appreciate years in the future. After graduation, I plan to attend Texas State University, where I will study communications and be a part of the honors college, and I will be rooming with my long-time best friend, Izzy. My favorite choir memory was singing at Mad-Fest with Amabile. Even though the awards were not fun, singing on that stage is something I'll always remember because I knew we did our best. Plus, my older sister got to see us, and she hadn't heard my choir since elementary school, so it was really special for us. A fun fact about me is that I was always destined to be a choir kid. I've been running through my house singing since I was little. There's even a video of me singing Bare Necessities into a karaoke machine when I was about 3. My mom has inspired me the most in my life. I've always been her mini-me, but without her, I wouldn't have my love for writing or my love for community service. My words of wisdom to the underclassmen are: never stop singing. Even if you aren't in choir for all 4 years, singing is the best way to let go of emotions or get a burst of energy.

# TIFFANY

Hello KO Choir! My name is Tiffany Villalta, and outside of KO Choir, I am a member of cross country, track, summer league, and swim team. From my time in high school, I am most proud of my good grades, getting PRs in cross country and track, reviving a CTE certification, and winning 1st, 2nd, and 3rd place on multiple projects for TSA that made it all the way to State. After graduation, I plan to attend the University of Houston, majoring in integrated studies, earning my Bachelor's, then graduate school to become a Veterinarian. My favorite choir memory was going to Kemah and getting to ride the rides with friends. A fact about me is that outside of school, I am actually very talkative and hyper especially when I'm given sugar. I am just quiet due to my ADHD meds. My parents even gave me the nickname "Grimmie", which I put on the back of my Letter Man, comparing me to a gremlin. The people that have inspired me the most are both of my parents because through their past, they have taught me to never give up and if you work hard, even if the odds are against you can succeed. My advice to the underclassmen is to live in the moment and not give up, no matter how hard it is.
